MELVIN – 223910132

incl. 1x SMD LED, 4,3W · 1x 430lm, 3000K

- OSRAM inside
- Luce su e giù
- Dimmerabile tramite interruttore
- Montaggio a parete
- IP20
- Luminosità non regolabile

The vintage design MELVIN wall light impresses with its practical functions, serving as an atmospheric furnishing element. Thanks to the integrated SWITCH dimmer, the luminaire can be set to 3 brightness levels with a conventional light switch. Thanks to the gradations from 100% to 50% and 25% brightness, the luminaire can be adapted to different needs. In addition, the upward and downward light emission creates a luminous effect on the wall, which provides accentuated lighting and can also be used for decorative purposes. The simple matt black colour design allows easy integration into existing colour concepts. The lamp also features a modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.

Costruzione materiale

Metallo · Nero opaco

Dimensioni prodotto

Larghezza: 11cm
Altezza: 8cm
Peso: 1kg

Dati tecnici

Lampadine: SMD – LED (integrato)
Watt: 4,3W
Lumen: 1x 430lm
Kelvin: 3000K
Resa cromatica nominale (CRI): > 80 CRI
Durata di vita: 50000H
Cicli di commutazione: 50000x ON/OFF
