

JEF

The letters 'J', 'E', and 'F' are rendered in a bold, serif font. The 'J' contains a sketch of a building's facade with a balcony. The 'E' is filled with a sketch of a classical building featuring a prominent dome and columns. The 'F' contains a sketch of a man's face with a beard and a tall, cylindrical hat.

TEB

The letters 'T', 'E', and 'B' are rendered in a bold, serif font. The 'T' is filled with a dense, repeating herringbone or zigzag pattern. The 'E' contains a sketch of a classical building with a pedimented entrance. The 'B' is filled with a sketch of a building's exterior, showing windows and architectural details.

SON

The letters 'S', 'O', and 'N' are rendered in a bold, serif font. The 'S' contains a sketch of a building's entrance with a sign that reads 'ALMA SCALA'. The 'O' is filled with a sketch of a building's facade with multiple windows. The 'N' is filled with a dense, repeating herringbone or zigzag pattern.

**AMARO IMPORTANTE**

Ho pensato subito ad un amaro naturale  
ed autentico come questo territorio,  
la Calabria.

I immediately thought of a bitter natural  
and authentic as this land: Calabria

Dall'autentica ricetta del 1871 creata da *Mr. Jefferson* nasce *l'Amaro Importante*. Oggi il tutto viene riprodotto in modo autentico prestando molta attenzione ai dettagli.

# GRADO ALCOLICO 30°

ALCOHOL GRADE

The *Amaro Importante* originates from the authentic recipe of 1871 created by *Mr. Jefferson*. Today everything is reproduced authentically by paying close attention to details.

*Jefferson Tintura Importante è il bitter prodotto con la sola tintura madre usata per creare l'amaro Jefferson. Racchiuso nella classica bottiglia farmaceutica con contagocce è un ottimo aromatizzante nei drinks, soprattutto nei grandi classici. È la firma naturale che rende le vostre creazioni personali ed uniche.*

ALCOHOL GRADE

*Jefferson tintura importante is the bitter produced with the single botanicals blend used to create the Jefferson amaro. Great as a flavouring for drinks, especially for the great classics, in the classic pharmaceutical bottle with dropper it is the natural signature that makes your creations personal and unique.*
