

# MASTERColour CDM MW Eco

# MASTERColour CDM-T MW eco 360W/842 E40

Ceramic metal halide lamps with clear tubular or coated ellipsoid outer bulb, tailor-made to replace and outperform quartz metal halide lamps on existing gear.

### **Product data**

| General Information                |   |  |  |  |  |
|------------------------------------|---|--|--|--|--|
|                                    |   |  |  |  |  |

### Warnings and Safety

- Use only in a totally enclosed luminaire, even during testing (IEC61167,IEC62035, IEC60598)
- The luminaire must be able to contain hot lamp parts if the lamp ruptures
- For use with control gear designed for high pressure mercury or high-pressure sodium lamps with external ignitor
- A lamp breaking is extremely unlikely to have an impact on your health. If a lamp breaks, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Put them in a sealed plastic bag and take it to your local waste facilities for recycling. Do not use a vacuum cleaner.
- Warm restart time can be up to 15 minutes; T15 ignitors therefore advised.
